Signature indicates that the above information provided is accurate. It is understood that any false or misleading information may be grounds for canceling open credit or keeping status as cash in advance only. It is agreed the buyer will pay all invoices within stated terms and agrees to all terms contained in invoices supplied by seller as may be amended from time to time. In the event payment is not timely made, the buyer agrees to pay a service charge of the lesser of 1 1/2% per month (18% per annum) or the maximum lawful rate on all overdue amounts, and to pay all collection costs incurred by seller in enforcement of agreed terms, including court costs, reasonable attorney's fees and collection agency fees, within the standard of the industry, but not less than 25% of the unpaid amount of principal and accumulated service charge, all without relief from valuation and appraisal laws. Buyer authorizes seller to investigate buyer's credit standing, financial circumstances and responsibility and authorizes and instructs all persons having information concerning buyer's credit standing, to release such information to seller, its agents, attorneys or employees. Buyer further agrees that any line of credit desired or approved is not a limitation of liability, and the above signed expressly agrees that it will be responsible for valid charges in excess of a line of credit either desired or approved.
